

RUBBER TRACKS & PADS

A FOUNDER BRAND

RESPONSIBLE DISPOSAL PROGRAM

Driving Sustainability

At **DEKK**, we're dedicated to innovation and environmental responsibility. Our latest initiative focuses on transforming used tracks and pads into essential resources needed across Australia.

ECO-BENEFITS

Space Efficiency

Free up valuable space and eliminate potential habitats for pests or fire hazards.

Legal Compliance

Stay compliant effortlessly and avoid the unnecessary costs associated with any kind of disposal practices.

Conservation

Help protect the environment. Every small step counts.

Time-Saving

We handle authorised recycling and disposal services for you.

PROGRAM INCLUSIONS

Sustained Support

Free disposal services for expired **DEKK** products with every purchase.

Free Disposal

Upgrade to **DEKK** Tracks or pads, and we'll dispose of your old tracks responsibly, free of charge.

Pick-Up Convenience

Can't deliver?
We offer a pick-up service at just \$120 per pallet.

CHOOSE **DEKK**, CHOOSE SUSTAINABILITY.
